

Are you ready to Refinance your Debt?

OFC Capital Corporation now offers **SBA Loans** to eligible applicants. **SBA Loans** are the creation of the Small Business Administration, a U.S. government agency. This type of loan was created to help small businesses obtain the capital and financing they need to grow into *not-so-small* businesses.

With an **SBA Loan**, you can:

- Refinance existing debt to extend your loan term and **lower your monthly payment!**
- Obtain Working Capital Loans
- Finance new equipment acquisition
- Finance expansion and renovation
- Finance business acquisition
